

## TAMPING RAMMER

TAMPING RAMMER,  
Four-cycle Petrol Engine,285mm foot

Model:MTX-60,MTX-70,MTX-80,MTX-90

Product nos(standard export model only):

MTX-60:51087

MTX-70:51233

MTX-80:51265

MTX-90:51275

### SUITABLE APPLICATION

Worldwide contractor acceptance has led us to become one of the world's largest rammer producers with constant adoption of advance technologies, unmatched unit balance, safety and functionality.  
With the debut of the MTX series rammer we open another chapter of accumulative innovation and success.

### FEATURES and BENEFITS

- \*Outstanding body balance maximizes work efficiency and minimizes operator's fatigue.
- \*Ergonomic, streamlined, eye appealing design.
- \*Meticulous attention to safety and operator's.
- \*Fewer frequent maintenance cycles in routine operation.

Hour & Tacho Meter

Throttle lever with a kill switch interlocking with fuel cutoff mechanism.
